## *News from the President*

Hello fellow fly fishers,

It's time for our September club meeting. This month's program will be Dakus Geeslin sharing a program about Guadalupe bass. As most of you know the Guadalupe bass is the state fish of Texas, and is native to the San Gabriel river as well as others in the hill country. I saw this program at the Austin Fly Fishers meeting and it is excellent. Dakus is a biologist with TPWD and very knowledgeable on the subject. You will enjoy this program and learn all you need to know about our state fish.

We elected officers and directors at the last meeting. Here are the results:

President- Clint Barton

Vice President - Craig Hunter

Treasurer- Jim Kettleman

Secretary- Dennis Pate

Directors- Tommy Griffis and Brooks Bouldin

Committee Chairman are:

Outings- Ed Siska

Membership- Don Carlson

Outreach- Randy Johnson

Mike Reed will continue to coordinate with the Boy Scouts, and we will be broadening our work with them during this upcoming year.

Thanks to the outgoing officers, directors, and committee chairman for their work the past two years!

Don't forget to renew your Texas fishing license! Our new Vice President will NOT cut you any slack!

Annual dues are now "due" for all members for the 2015-2016 year so please bring your checkbook or cash to renew your membership (or you can mail it to our PO box). We really need to get those dues in right away so we know how much \$ we have to work with this next year. We are simplifying our process for dues paid during the year and Don Carlson is finalizing that. Pay up right away to simplify it even further!

I'm in the middle of a two week trip to Colorado so Craig will be leading the meeting. We put our new officers to work right away!

Clint
